Sunday Aug. 2nd

Open Practice 8am-12pm
"Adult" Riding Clinic (85cc and Up)
Adult Class Time: 10am-2pm
\$60 per rider
No Participant Limit

**These schools will be a little different; consisting of games like barrel racing, slow racing, time trials, and optional early training on bike set up, conditioning advice, getting sponsors, etc. Since the youth class is Saturday and the adult class is Sunday, the track has allowed free camping for the weekend! This is a great time to come spend the weekend at the track with the family!!

If you want to ride the track at all during open practice times, its \$25. However, if you are taking one of these classes, after open practice has ended, we will have private use of the track for the class and you will not have to pay the open practice fee. I do highly suggest that you come early to practice and support the track as they are helping me big time! *Parents need to be present to sign minor forms!!

We just got this worked out so the website may not be updated yet. However, if you click the register button and fill out your information on the day you want to ride, I will get you all of the information you need in a confirmation email.

Please Register at www.SKYLERHOWES.com
